

STEP 1: NETWORK SURVEY

Complete all sections of this personal network survey. Be sure to read all instructions carefully, as the obvious thing to do is not always the right thing to do.

A. The People in Your Life

In this section you will list the people who you interact with in your everyday life. Please list up to six names in response to each of the following questions. You may list the same name for more than one question. There is no need to give a person's full name, just use their first name and last initial, or some other designation that will allow you to remember who you mean.

1. From time to time, most people discuss important matters with other people. Important matters might include things like family situations, health, relationships, or career plans, but might also include other matters that are important to you. Who are the people with whom you discuss matters important to you?
